AND NOW, this 31st day of August, 2004;

WHEREAS, the Commission having, on August 31, 2004, conducted a public evidentiary hearing on the application filed by Mediacom Delaware, LLC ("Mediacom"), seeking approval to make changes in the maximum permitted rates for basic cable television service ("BST"), and equipment and installation charges governing service provided by Mediacom in the unincorporated areas of southern Sussex County and designated as Community Identifier Units CIUD DE0030, 0025, and 0032; and

WHEREAS, as part of the proceeding, Mediacom filed an amended FCC Form 1240 on August 9, 2004, which incorporates dollar amount entries reflecting a settlement between Staff and Mediacom concerning the final resolution of lingering questions about the appropriate maximum permitted BST rates for the years 2002-03 (PSC Dckt. No. 02-121) and 2003-04 (PSC Dckt. No. 03-218); and

WHEREAS, based on the evidence presented at the hearing, and taking official notice of the forms previously filed before the Commission in PSC Dckts. 02-121 and 03-218, the Commission having determined that the proposed maximum permitted BST rate and the

supporting "true-up" amounts set forth in the amended FCC Form 1240 (filed August 9, 2004), appropriately resolve the questions concerning the maximum permitted BST rates for preceding years, and that the maximum permitted BST rate and other entries in such August 2004 form have been calculated consistent with the governing rules of the Federal Communications Commission ("FCC") pertaining to BST rate regulation; and

WHEREAS, based on the evidence presented at the hearing, the Commission having determined that the maximum permitted equipment and installation charges set forth in the FCC Form 1205 (filed August 9, 2004) have been calculated in accordance with the governing rules of the FCC related to equipment and installation activities associated with BST service; now, therefore,
